

Children & Young People

Social Prescribing Service

Making you our priority!

About Our Service

Please note: we are not a crisis service, our aim is offer support at the earliest intervention.

Our Children & Young People's Social Prescribing service can help find the support that's right for you.

This involves connecting you to services and local activities within Bexley, such as: *befriending, social groups and counselling.*

Regular check-ins will be made to ensure that you are finding the support beneficial.
